**Subject:** Order for 10 kg of platinum sponge

Dear Mr Dalton O' Brian, Alain Groborz:

First and foremost, I am sorry for the delay, after months ago you sent me a pro-forma invoice to buy your platinum sponge. We had major technical problems with our plant and had to delay the buy.

Now we have resolved our problems and we are ready to buy.

Please send me again a pro-forma invoice, with the directions to make a wire, for:  
kg 10 of platinum sponge

Please specify:

- 1- delivery term: how many days the material will be delivered after our advanced payment
- 2- the delivery has to be made to our factory located in Doral ( close to Miami international airport)
- 3- instructions regarding the customs: has the material to pay the Customs? If yes, how much?

Making the price, consider that we foresee to consume about 30 kg/year.

Please head the invoice and send the material to:

JM Products Corporation  
7861 NW 46th Street  
Doral, Florida 33166  
USA

Warm Regards,  
Andrea Rossi
