Dear Att.ney Johnson, Esq., Colette: should Industrial Heat call Johnson to ask information about when JMC will be ready to receive their plant, Johnson can answer that the factory of JMC should be ready by the end of September to receive their plant and that as soon as their will be ready for it they will put us in contact with their responsible of the Miami concern (that will be Jim Bass, if he will confirm, otherwise I will have to find another also with your help).

Johnson could also not answer and you could say he is not available at the moment, as you prefer. I already informed them that JMC will not be ready before the end of September and that until they are not ready JMC wants not them inside the factory and that they will put us in contact with their responsible as soon as their plant will be ready to be connected with ours, around the end of September.

Warmest Regards,
Andrea

We can do well as it is, you just check you have the money before issuing any check.

The payments that Leonardo makes to JM are always made immediately upon your request and correspond to what you say. This is why I do not understand this difference.

Paying more money we make only things more complicated in the long term. Please call me by phone, I hate emails.

Cheers,
Andrea

Hi, Colette: as I said yesterday in your voice mail, I pay today Jim with a check of Leonardo, as a loan to JM, so we are quicker.
Next time, I prefer mail you a check 10 days in advance, so we avoid wires.
Warmest Regards,

Still no funds in account. (Do you think we should pay Jim a little extra \$ since he has had to wait so long for his paycheck?) Just a thought.....

Dear Colette:

There should be other wires Leonardo made to JM : all the invoices you paid to Jim have been paid with my wires. Please check .

The only item I was able to locate was 2/5/15 where you paid Jim Bass with a Leonardo check as a loan to JM for \$1350. To be sure, you may want to check your Leonardo bank account. Sorry I missed you yesterday! All my best!

Dear Attorney Johnson:

Thank you for your attention yesterday.

I forgot to tell you, for what concerns the choice of the litigator, that the Court, in case of litigation, will be the one of Miami, Florida.

Please also remember to email me the total of the amount paid from Leonardo to JM.

Warmest Regards,

Andrea
