We understand you're not responding to questions to your blog as sometimes, not saying anything is the best answer. As, silence can never be – misquoted.

I'm sorry to hear that you needed to go in for surgery. You have given a lot of your self towards your work, hopes and dreams it seems. I hope you can take some time to rest with out dealing with stress. And wish you a speedy recovery.

Stephen:

Thank you for your kind words.

I hope to return in my factory soon. Still here in the hospital.

A price had to be paid to make this work. And it has, no discounts.

As always.

Warm Regards

Hi Andrea Rossi, "Google translate" messed my message up without me realising it.

I meant to say "Congratulations in advance for your victory over Industrial Heat"

I am sure you will win.

Best wishes,

Thorbörn
