## 3. Price and Payments

3.1 The total price for the grant of the License and the purchase of the Plant is One Hundred Million Five Hundred Thousand Dollars (\$100,500,000).

3.2 The payment terms will be as follows: --

(a) Upon execution of this Agreement, the Company will pay to Leonardo One Million Five Hundred Thousand Dollars (\$1,500,000), which amount shall be deemed to include payment in full for the Plant. In the event the Plant is not delivered or Validation is not achieved within the time period set forth in Section 4, the full \$1,500,000 will be refunded to the Company within two business days of its request. A refund of the \$1,500,000 will not be provided for any other reason and no other refund will be provided for any reason. In the event the \$1,500,000 is refunded, the Plant will remain the property of Leonardo. The Plant must be

available for Validation and delivery within 120 Business Days following the date of this Agreement and will be delivered to the location specified by the Company, at Leonardo's expense, within thirty Business Days following Validation. Concurrently with delivery of the Plant, Leonardo will execute and deliver a customary bill of sale providing for a lien free sale and transfer of the Plant to the Company.

- (b) Provided that such date is at least 120 Business Days following the date of this Agreement (unless otherwise agreed by the Company), within five Business Days following (a) notification to the Company that the Plant is complete and ready for Validation, and (b) satisfaction of the Conditions Precedent, the Company will deliver Ten Million Dollars (\$10,000,000) to TD Bank, at its office in Miami Beach, Florida, USA (or another bank agreed upon by Leonardo and the Company), to be held in escrow pursuant to an escrow agreement acceptable to Leonardo and the Company. Such escrow agent (the "Escrow Agent") shall pay the escrowed \$10,000,000 to Leonardo immediately after (i) Validation is achieved as provided in Section 4 hereof, and (ii) the E-Cat IP has been validated and is available for immediate delivery to the Company in accordance with the procedures set forth in Schedule 3.2(b) attached hereto. The escrow agreement will include appropriate provisions authorizing such payment in compliance with the preceding sentence. On the date the Escrow Agent pays the \$10,000,000 to Leonardo, the License will commence and Leonardo and Rossi will immediately transfer, and the Validation Agent (as defined in Schedule 3.2(b)) will deliver, to the Company all E-Cat IP. If Validation is not achieved within the time period set forth in Section 4 or the E-Cat IP is not validated in accordance with the procedure set forth on Schedule 3.2(b), the Company may instruct the Escrow Agent to return the \$10,000,000 to the Company and may terminate this Agreement and be released from any liability hereunder.

- (c) Within five business days following 350 days of operation of the Plant during which the Guaranteed Performance has been achieved as required by Section 5 below, the Company will pay to Leonardo Eighty Nine Million Dollars (\$89,000,000); provided, however, that if, prior thereto (i) any Person has entered the market with a product that infringes the E-Cat IP, or (ii) any product of the Company that utilizes the E-Cat IP infringes the patent or other intellectual property rights of any third-party, at the election of the Company, the Company will pay to Leonardo, in lieu of the foregoing \$89,000,000 payment, within five business days following 350 days of operation of the Plant during which the Guaranteed Performance has been achieved as required by Section 5 below, Forty-four Million Five Hundred Thousand Dollars (\$44,500,000) and Leonardo will be entitled to receive a five percent (5%) royalty on net sales by the Company of E-Cat Products or energy produced by E-Cat Products, payable annually on each January 31 with respect to the previous 12 months ended December 31, until aggregate compensation paid to Leonardo pursuant to this Agreement equals \$1 billion. Any royalty payments made in accordance with the foregoing sentence will be accompanied by supporting financial information generated by the Company in the ordinary course of its business.

- (d) All payments due hereunder shall be made in immediately available funds in accordance with wire transfer instructions to be provided by the party entitled to receive payment.

#### 4. Validation of the Plant

Retention by Leonardo of the \$1,500,000 component of the purchase price and payment of the \$10,000,000 described in Section 3.2(b) above are subject to successful Validation of the Plant. The Validation will be made in the factory of Leonardo within 120 Business Days following the date of this Agreement on a date mutually agreed to by the Company and Leonardo. "Validation" will be deemed successful and achieved when the expert responsible for such validation (ERV) certifies in writing that during a 24 hour test period the Plant consistently produces energy that is at least six times greater than the energy consumed by the Plant (the "Energy Multiple") and the temperature of the steam produced by the Plant is consistently 100 degrees Celsius or greater. To make this measurement the ERV will measure the flow of the heated fluid and the Delta T between the temperature of the fluid before and after the E-CAT reaction. The ERV will be chosen by mutual agreement between Leonardo and the Company and Leonardo and the Company shall bear the ERV's costs fifty-fifty. At their respective elections, the Company and Leonardo may have representatives present to observe the Validation process and discuss the testing and its results with the ERV.

#### 5. Guaranteed Performance.

Payment of the amount set forth in Section 3(c) above is contingent upon the Plant operating at the same level (or better) at which Validation was achieved for a period of 350 days (even if not consecutive) within a 400 day period commencing on the date immediately following delivery of the Plant to the Company ("Guaranteed Performance"). Each of Leonardo and Rossi will use their commercially reasonable best efforts to cause Guaranteed Performance to be achieved, including making repairs, adjustments and alterations to the Plant as needed to achieve Guaranteed Performance. The ERV (or another party acceptable to the Company and Leonardo) will be engaged to confirm in writing the Guaranteed Performance. Guaranteed Performance will not be deemed achieved unless such written confirmation is received or waived by the Company. In the event Guaranteed Performance is not achieved within the time period set forth in this Section (as such time period may be extended by the Company in its sole discretion), but the ERV confirms that during such time period the Plant consistently produced energy that is at least four times greater than the energy consumed by the Plant and that the temperature of the steam produced by the Plant was consistently 100 degrees Celsius or greater, then the amount payable by the Company pursuant to Section 3(c) above shall be reduced in proportion to the reduction in the Energy Multiple, and the total purchase price set forth in Section 3.1 shall be reduced accordingly. If neither the foregoing standard nor Guaranteed Performance is achieved, the Company shall not be required to pay any amount pursuant to Section 3(c) above and the total purchase price set forth in Section 3.1 shall be reduced accordingly.

#### 6. Conditions Precedent

The Company's obligation to pay the \$10,000,000 described in Section 3.2(b) above is subject to satisfaction of the following conditions (the "Conditions Precedent") as determined by the Company based upon commercially reasonable standards, or the waiver of any one or more of such conditions by the Company in its sole discretion:

- (a) Receipt of evidence that all E-Cat IP is owned by Leonardo and/or Rossi.

- (b) Receipt of evidence of the corporate authority of Leonardo to enter into this Agreement and perform its obligations hereunder.
- (c) Confirmation that the representations and warranties of Leonardo and Rossi set forth herein are true and correct.
- (d) All representations and warranties of Leonardo and Rossi shall be true and correct as if made on and as of the date of payment of the \$10,000,000 and Leonardo and Rossi shall have delivered to the Company written certification that the representations and warranties of Leonardo and Rossi set forth herein are true and correct as of the date payment is made.

Leonardo and Rossi agree to provide the Company with such information and documentation as it may reasonably request to satisfy the Conditions Precedent. In the event the Conditions Precedent are not satisfied on or prior to the date that is 60 Business Days following the date of this Agreement, the Company will be entitled to suspend its obligations hereunder until such Conditions Precedent are satisfied or waived by the Company or to terminate this Agreement and be released from any liability hereunder; provided, however, that if the Condition Precedent set forth in Section 6(e) above is not satisfied within such 60 Business Day period, the Company will either waive the condition and proceed as otherwise set forth herein or terminate this Agreement.

#### 7. Patent Prosecution and Maintenance

7.1 For each patent application and patent under the Licensed Patents, Leonardo shall:

Leonardo shall not abandon any such Licensed Patent except upon the prior written consent of the Company. On the Company's request, which may be provided at any time after the notice of desired abandonment, Leonardo shall assign to the Company any such patent application and patent Leonardo wishes to abandon.

Effective as of the effective date of such assignment, such patent application and patent shall no longer be a Licensed Patent.

**8. Third-Party Infringement.**

8.1 A Party receiving notice of alleged infringement of any Licensed Patent in the Territory, or having a declaratory judgment action alleging invalidity or noninfringement of any Licensed Patent in the Territory brought against it, shall promptly provide written notice to the other Parties of the alleged infringement or declaratory judgment action, as applicable.

8.2 Leonardo shall bring suit or defend a declaratory judgment action and control the conduct thereof, including settlement, to stop infringement of any Licensed Patent; provided, however, that Leonardo shall only be required to take such action after (i) notification from the Company advising that it believes such action to be necessary or advisable, and (ii) only as and to the extent deemed to be appropriate by an independent patent attorney selected by Leonardo. Leonardo may force the Company to become a party to the suit or action only if a court of competent jurisdiction determines the Company is an indispensable party to the suit. Leonardo shall (a) hold the Company free, clear and harmless from any and all costs and expenses of the suit, including reasonable attorneys' fees, and (b) compensate the Company for the reasonable time and expenses of the Company's employees for any required assistance or testimony of the Company's members, managers, officers, and employees in connection with the suit. The Company may voluntarily initiate or participate in any suit or defense of a declaratory judgment at the Company's election and at its expense as the Company may deem appropriate to enforce or protect its rights or interests under this Agreement.

9. **Regulatory Clearance.** Leonardo, Rossi, and AEG, each to the extent requested by the Company, shall reasonably cooperate with the Company in obtaining any clearances or licenses from governmental agencies or regulatory authorities to own, possess, make, operate, sell, or export the E-Cat IP or the E-Cat Products.

10. **Recordation of License.** Upon the request of the Company, Leonardo and Rossi shall assign to the Company the Licensed Patents with respect to the Territory or, if so requested by the Company, record this Agreement (or a memorandum hereof, or similar document) as permitted or required by the laws of countries in the Territory, and any recordation fees and related costs and expenses shall be paid by Company.

**11. Mutual Representations and Warranties.**

Each Party hereby represents and warrants to the other party that:

Leonardo and Rossi, jointly and severally, each hereby represents and warrants to the Company that:

- (a) Leonardo and/or Rossi are the sole and exclusive legal and beneficial owners of the entire right, title, and interest in and to the E-Cat IP and are the record owners of all patent applications and issued patents that are Licensed Patents, have good and valid record and marketable title to the E-Cat IP, have not licensed the E-Cat IP to any other party and are under no express or implied obligation to any third party that would restrict, limit, or in any manner effect the ability to license the rights to the E-Cat IP, and have and throughout the Term will retain the full, unconditional and irrevocable right, power and authority to license the E-Cat IP as provided herein, free and clear of any Liens.
- (b) The patents and patent applications identified on Exhibit A and all other E-Cat IP, all of which is to be delivered to the Company in accordance with Section 3.2(b), are owned by Leonardo and/or Rossi and are all the patents and patent applications and other intellectual property that are necessary or useful for the Company to develop, manufacture, make, have made, use, have used, offer to sell, have offered for sale, sell, have sold, import, and have imported all the products deriving from the E-Cat IP in the Territory.

The Company is aware of the AEG Agreement.
- (e) There neither are, nor at any time during the term of the License will be, any encumbrances, liens or security interests created or permitted by Leonardo or Rossi involving any Licensed Patents or the other E-Cat IP.

- (f) The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby does not (i) result in the imposition of any Lien under, cause the acceleration of any obligation under, or violate or conflict with the terms, conditions or provisions of any contracts or other agreements to which Leonardo or Rossi is a party or by which either of them is bound, (ii) result in a breach or violation as of the date of this Agreement by Leonardo or Rossi of any of the terms, conditions or provisions of any Law or Order, or (iii) require the provision of any payment or other consideration to any third party by Leonardo or Rossi, other than pursuant to the AEG Agreement.

All rights in the E-Cat IP are valid and in full force and effect and no approval or consent of any Person is needed for the interest of the Company in the rights in the E-Cat IP to continue to be in full force and effect following the date hereof and the transactions contemplated by this Agreement. There is no settled, pending or threatened litigation or re-examination, post-grant or *inter partes* review, interference, derivation, opposition, claim of invalidity or other claim or proceeding (including in the form of any offer to obtain a license): (i) alleging the invalidity, misuse, unregistrability, unenforceability or noninfringement of any Licensed Patent; (ii) challenging the ownership of, or right to practice or license, any Licensed Patent, or alleging any right, title or interest with respect thereto; or (iii) alleging that the practice of any Licensed Patent or the making, using, offering to sell, sale or importation of any E-Cat Product in the Territory does or would infringe, misappropriate or otherwise violate any patent, trade secret or other intellectual property of any third party. - 13.1 Services by Rossi. In consideration of the payments set forth herein, Rossi will provide ongoing training and support to the Company in the use of the Plant and the production of the E-Cat Products for a period of not less than twelve months following Validation, as and to the extent reasonably requested by the Company to enable it to utilize the E-Cat IP, operate the Plant and produce the E-Cat Products. Further, Rossi and the Company currently contemplate that the Company will engage Rossi as its chief scientist pursuant to a separate agreement to be entered into following Validation, in which event the services contemplated by the preceding sentence will be rendered pursuant to such engagement.
- 13.2 Right of First Offer. Leonardo and Rossi each hereby agrees that, should either of them desire at any time to license the E-CAT IP or the manufacture or distribution of E-Cat Products in any territory outside the Territory covered by this Agreement, they will first notify the Company and the Company will have a period of thirty (30) days to make an offer to purchase such license. In the event the Company makes such offer and Leonardo or Rossi does not accept it, Leonardo or Rossi may grant such license to another party only if the price paid by such party is at least 90% of the price offered by the Company and the other terms and conditions of the agreement are no less favorable to

Leonardo or Rossi than the terms proposed by the Company. In the event either of Leonardo or Rossi desires to enter into an agreement that does not satisfy the requirements set forth in the foregoing sentence, they must first offer the same agreement to the Company and the Company will have thirty days to accept or reject it. If the Company rejects it, Leonardo or Rossi may enter into that agreement with another party at any time during the following sixty (60) days, and, if they fail to do so, they must again provide the Company with the right of first offer before entering into a licensing agreement with any other party. In the event of termination of this Agreement due to a breach by the Company, the Company and all its affiliates, employees, officers, directors, for two (2) years after the period of effectiveness of this agreement, will not be allowed to work for a competitor of Leonardo in the licensing or sale of products competing with the E-Cat Products.

- 13.4 **After Acquired/Developed Assets, Intellectual Property Rights.** Leonardo and Rossi hereby agree that from and after the date hereof, any and all inventions, discoveries, concepts, ideas, information and anything else that Leonardo, Rossi or any of their Affiliates makes or develops which relate to the E-Cat IP or are useful in the business or activities in which the Company is or may become engaged, including without limitation, enhancements, improvements, alternations, additions, deviations, changes, variations, as well as all derivative works based on the E-Cat IP and any item or product embodying the E-Cat IP and all applications, names, titles, characters, symbols, designs, copyrights, patents, trademarks, artwork, and elements

embodied in, derived from or related thereto and any other product, service, presentation, ancillary work or commercial endeavor including, without limitation, as represented in any and all media, and all third-party products using or incorporating the E-Cat IP and all embodiments of the foregoing (collectively, the "After Acquired/Developed Assets") shall be and shall remain within the scope of the definition of E-Cat IP and shall be included in the License. Leonardo and Rossi each hereby agrees to, and agrees to cause its Affiliates to, promptly assign, transfer and convey to Leonardo any and all right, title and interest in and to any such After Acquired/Developed Assets and intellectual property rights therein if such rights are not owned by Leonardo and to execute any and all intellectual property applications and instruments of conveyance and other documents, and to take all other steps necessary to vest Leonardo with the entire right, title and interest in and to the After Acquired/Developed Assets free and clear of all Liens. Further, it is acknowledged and agreed that, from and after the date the License commences, any and all inventions, discoveries, concepts, ideas, information and anything else that the Company, its sublicensees, or any of their affiliates, makes or develops which relate to the E-Cat IP or are useful in the business or activities in which the Company is or may become engaged, including without limitation, enhancements, improvements, alterations, additions, deviations, changes, variations, as well as all derivative works based on the E-Cat IP and any item or product embodying the E-Cat IP and all applications, names, titles, characters, symbols, designs, copyrights, patents, trademarks, artwork, and elements embodied in, derived from or related thereto and any other product, service, presentation, ancillary work or commercial endeavor including, without limitation, as represented in any and all media, and all embodiments of the foregoing shall be and shall remain the property of the Company (or such sublicensee or affiliate if so agreed by the Company).

- 13.5 **Tax Matters.** The Parties shall file all necessary documentation and returns with respect to any applicable sales, use, transfer, real property transfer, recording, gains, stock transfer and other similar taxes and fees pertaining to the respective revenues derived by the Parties in respect of the E-Cat IP (such taxes and fees, including any interest or penalties thereon, are herein sometimes called "E-Cat Taxes"). The Parties agree to defend and hold harmless each other Party from and against any Governmental or Regulatory Body action against one Party with respect to E-Cat Taxes payable by such Party and arising out of or in connection with the transactions effected pursuant to this Agreement. Each Party further agree to defend and hold harmless each other Party with respect to any additional E-Cat Taxes imposed by reason of any payment made by an indemnifying Party under this Section.

#### 14. Indemnification.

- 15.1 Leonardo and Rossi shall indemnify, defend and hold harmless the Company and its members, managers, officers, directors, employees, agents, successors, assigns, and sublicensees (each, a "Company Indemnitee") against all losses arising out of or resulting from any third party claim, suit, action or proceeding related to, arising out of or resulting from any breach by Leonardo or Rossi of any representation, warranty, covenant or obligation of Leonardo

or Rossi under this Agreement. The Company shall indemnify, defend and hold harmless Leonardo and Rossi, and their respective members, managers, officers, directors, employees, agents, successors, assigns and sublicensees (each a "Leonardo Indemnitee") against all losses arising out of or resulting from any third party claim, suit, action or proceeding related to, arising out of or resulting from any breach by the Company of any representation, warranty, covenant or obligation of the Company under this Agreement.

15.2 [Intentionally omitted]

15.3 The Company Indemnitee or the Leonardo Indemnitee, as the case may be, shall promptly notify in writing each Party responsible for indemnification of any claim subject to indemnification hereunder and cooperate with each indemnifying Party at such indemnifying Party's sole cost and expense. Each Party responsible for indemnification shall immediately take control of the defense and investigation of the claim and shall employ counsel reasonably acceptable to the Company Indemnitee or the Leonardo Indemnitee, as the case may be, to handle the defense of the same, at the sole cost and expense of the indemnifying Party or Parties. An indemnifying Party shall not settle any claim in a manner that adversely affects the rights of the indemnified Party without the indemnified Party's prior written consent, which shall not be unreasonably withheld or delayed. The failure of the Company Indemnitee or the Leonardo Indemnitee, as the case may be, to perform any obligations under this Section 15.3 shall not relieve any indemnifying Party of its obligation under this Section 15.3, except to the extent that the indemnifying Party can demonstrate that it has been materially prejudiced as a result of the failure. The Company Indemnitee or the Leonardo Indemnitee, as the case may be, may participate in and observe any proceedings that are the subject of this paragraph at such Party's own cost and expense with counsel of its choosing.

While this Agreement is in effect and after this Agreement terminates, each party hereto and its Affiliates shall keep confidential, and shall not disclose, the terms of this Agreement to any other Person without the prior consent of each other Party hereto unless: (i) the disclosure is required by law or legal process (including without limitation the federal securities laws and the rules and regulations of the Securities and Exchange Commission promulgated there

Any purported assignment, delegation or transfer in violation of this Section 16.7 is void. This Agreement is binding upon and inures to the benefit of the Parties and their respective permitted successors and assigns.

- 16.9 **Waivers and Amendments.** This Agreement may be amended, superseded, canceled, renewed or extended, and the terms hereof may be waived, only by a written instrument signed by the Parties or, in the case of a waiver, by the Party waiving compliance. No delay on the part of any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

- 16.10 **Governing Law and Dispute Resolution.** ~~This Agreement~~ shall be construed and enforced under the laws of the State of Florida without regard to the conflicts of law principles thereof that would defer to or result in the application of the substantive laws of another jurisdiction. Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be settled exclusively by the Court of Miami, Florida, USA.
- 16.11 **Force Majeure.** Neither Party shall be liable for any delay in the performance of its obligations hereunder to the extent such delay is due to events beyond its reasonable control including without limitation, acts of God, fire, flood or other natural catastrophe, acts of any government in its sovereign capacity (including but not limited to any rule, law, order, regulation or direction thereof, or of any department, agency or commission thereof), national emergencies, insurrections, riots, war or hostile activities, quarantine restrictions, embargoes, launch failures, strikes, lockouts, work stoppages or other labor difficulties and sun eclipse or solar outages; provided, that notice thereof is given to the other Party within thirty (30) days of the later to occur of such event and the date that the Party being affected by such event obtains actual knowledge of such event.

## Procedures for Validation of E-Cat IP

No later than five days following Validation of the Plant, Leonardo and Rossi will deliver to any combination of one or more United States patent attorneys (the "Attorney(s)") and a nuclear engineer (the "Engineer"), in each case that are not an Affiliate of Rossi, to be selected by Leonardo (the "Validation Agent"), all documents, manuals, technical data, formulae, and other items and materials (collectively, the "Technical Information") necessary or useful to enable the Company to (i) operate the IMW E-Cat Unit and the "Hot Cat," (ii) make E-Cat Products, and (iii) exploit the E-Cat IP as contemplated by this Agreement; provided, however, that the Technical Information shall not include the catalyzer formula used to fuel the E-Cat and the "Hot Cat" (the "Catalyzer Formula").

The Engineer will be engaged to review the Technical Information delivered to it and verify to the Company in writing that such Technical Information includes all items and materials that appear to be reasonably necessary or useful to enable the Company to build and operate the IMW E-Cat Unit and the "Hot Cat," exclusive of the Catalyzer Formula. The Engineer will be required to submit the written verification to the Company, Leonardo, and the Escrow Agent as soon as possible following Validation, but in any event within thirty days following Validation. The Escrow Agent will be instructed to deliver to Leonardo the escrowed \$10,000,000 immediately upon receipt of the written verification from the Engineer.

Prior to delivery of the Technical Information to the Attorney(s) and the Engineer, if requested by Leonardo, such Attorney(s) and Engineer will be required to enter into an agreement pursuant to which they agree to keep the Technical Information delivered to them and the E-Cat IP in strict confidence and not disclose to any party any of the Technical Information or the E-Cat IP or the fact that they received and reviewed any of the Technical Information. The Company shall bear the costs of the Engineer.

Leonardo and Rossi shall deliver the Catalyzer Formula to the Company immediately following delivery of the \$10,000,000 to Leonardo by the Escrow Agent and shall concurrently advise, instruct and demonstrate to the Company the steps and procedures necessary to create the Catalyzer Formula and to use the Catalyzer Formula to make the IMW E-Cat Unit and the "Hot Cat" fully operable in the same manner as required for Validation of the Plant.

The Engineer's written verification, all Technical Information, the Catalyzer Formula, and all other E-Cat IP, to be delivered to the Company pursuant to the terms of the Agreement and this Schedule 3.2(b) must be in English.
